

The Echelon Way Love Academy - Conversation Starters

Remember: Men will categorize you as either a:

- a) Temporary-Girl
- b) Potential Wife

This happens within the first moment of meeting and he reaches his conclusion typically by or before the third date.

He will treat the Potential Wife differently however it can be hard to tell how

Keep Flirting to a MINIMUM in the beginning

Flirt with a man early and he will see you as a "Temporary-Girl"

Build a solid connection and friendship first

Don't dress too sexy

Be careful with the party girl persona. Men want a wife they can trust with other men.

Men want a wife who is more goal oriented than party oriented
